

Technical data sheet

Complete set for external applications

Item number: 7203150

Complete set for covering cable bundles or cable support systems without cover to prevent a fire spreading. Application in outdoor areas. Each of the sets contains 4 sections of the weather-resistant cable bandage PYROWRAP® Wet, 8 metal strip clips and an identification plate. Sufficient for approx. 2 m length.

Dimension data: Sections of the FSB-WB bandage

Scope of the surrounding cable support systems:

FSB-K32 maximum 320 mm

FSB-K82 maximum 820 mm

(including min. 5 cm bandage overlap)

Use with photovoltaic cables over firewalls may require the approval of the local construction authorities. A positive special report is available.

Intumescent material

Master data

Item number	7203150
Type	FSB-K32
Description 1	Bandage set
Description 2	for photovoltaic
Manufacturer	OBO
Dimension	550x380
Colour	Grey / red
Material	Intumescent material
Smallest sales unit	1
Unit of quantity	Piece
Weight	96 kg
Weight unit	kg/100 pc.

Dimensions

Length	550 mm
Length	0.55 m
Width	380 mm
