Technical data sheet

Magic straight connector DD

Item number: 6065714

Magic straight connector for direct and screwless joining of Magic fittings with a side height of 60 mm.

The straight connector is equipped with four brackets and can also be used for the direct connection with a cut cable tray with only two brackets mounted to one side. To join a cut cable tray with a fitting, an additional Magic straight connector set is needed.

The fitting connector is compatible with cable tray types MKSM, MKSMU, SKSM and SKSMU.
